THE PROJECT INTRODUCTION

EUBILD-UNAKLIM

European Educational Concept in Environmental- Nature- and Climate-Protection to safeguard Cross-Border Sustainable Development

OBJECTIVES is a cross border adult training concept in environmental topics. Target group are unemployed adults, migrants, age groups in specific life situations. Thematic modules, adapted to be implemented in different countries, enable the participants to a flexible international job market. Innovative learning techniques, flexible tailor-made pathways for finding jobs will be tested. Coherent learning tools will support the European Area of Skills and Qualifications and enable learners to move freely from one country to another for jobs and learning. A course accreditation is envisaged and followed right from the beginning of the project.

5 PARTICIPANTS of 4 countries Germany, Hungary, Poland and Romania form the consortium, among them 2 NGOs, 2 Universities and 1 Research Institution.

ACTIVITIES • Comparative study in the partner countries • Course curriculum • Summer School • Course test run concept • Training letter as test for EQF-accreditation • Online learning platform with free access to the public • Solar model plant as field laboratory with open access for experiments and hands-on research • Multiplier Events to disseminate and discuss the project's findings with stakeholders
